

YUKTI: IdeaAthon The Prototype Building

This event attracts a large participation of students from all disciplines of engineering. An event like this initiates an interest among students towards designing and building a Prototype Model by identifying a Challenge statement for this current crisis of Pandemic situation only.

REGISTRATION FEES: ₹ 100/- for a team

TEAM: Maximum 6 members

PRIZE MONEY: 1.5K

RULES:

- 1) The competition will consist of only one round. Students from all year can participate but team members should be from same college.
- 2) Each team will have to prepare ppt of total count of slide in it not more than 5
- 3) Slides should include Title of the challenge, Domain, Names of Team-mates, Name of the Mentor (if any), Name of Institute / College, Description of identified challenge statement, Motivation, Survey of current status of its solution, Why your solution over others, Phases of prototype model, Justification of resources / legal permissions required if piloting the project as future scope, Potential Customers & Stakeholders, Business Model, References / bibliography, Profile links of Team-mates
- 4) Convert the ppt into pdf format & submit it before 10th June 2020, Wednesday
- 5) Prepare the video of not more than 2 minutes briefing about its explanation & prototype model (working completely / partially)
- 6) Team has to show the video to judges on 14th June 2020, Tuesday & present online for the Q/A from judges
- 7) After judging, the team may upload that video on youtube to get view count
- 8) Any violation about the rules viz .pdf format, deadlines, present online for Q/A may disqualify the team
- 9) The confirmed registered students after payment of fees will receive the further details.
